

# Frequently Asked Questions

## Recycling Fund Raiser

**Q: Why this fundraiser?**

A: To provide funds for 2013 Coalition of six LWML districts to host the 2013 LWML convention in Pittsburgh, PA.

**Q: Why do we begin fund raising now?**

A: Advice from experienced district presidents and LWML leaders indicated: “the sooner the better!”

**Q: Why this recycling company?**

A: Other districts have used the project successfully. It is good for the environment, presents an opportunity to witness for our Savior and provides funds for hosting the Pittsburgh Convention.

**Q: What is the dollar goal for this project?**

A: No exact goal. South Dakota raised \$17,000 and had 5,000 registered attendants in 2007. We should be prepared for thousands to be in attendance.

THE OVER-ALL GOAL: To keep the six 2013 Coalition districts in the black!

**Q: How long will this project last?**

A: Probably 4 years (between now and the 2013 Convention). Some districts have kept the project going after their convention. Funds are then used for operating expenses, leadership training, district events, etc. leaving more mites available for grants.

**Q: What is the term of service for each of the facilitator positions?**

A: We do not have terms of service. We envision personnel changes as needed due to the length of the time needed to prepare for the 2013 convention.

**Q: Who provides stamps and envelopes for the Zone Facilitator to send out FedEx labels to those requesting them?**

A: At this time we don't have a plan. Could societies and zones handle these expenses?

**Q: How do we collect the funds?**

A: M. L. C. Enterprises will send a check to the English District Facilitator, who will deposit it in a joint repository account. The bank will service this account without charge.

**Q: Will there be other fund raisers?**

A: Possibly, time will tell.

## Fund Raiser Tips

Do: Read and follow all directions in the Promotional Packet.

Do: Take advantage of M. L. C. Enterprises' experience.

Don't: Try to invent a "better way" to carry out this project.

Do: Be courageous and creative in finding sources for collecting recyclables. Check out businesses like, attorneys, accountants, banks, medical clinics, hospitals

Don't: "Put off till tomorrow what you can start to do today!"

Do: Make sure all items packaged are legitimate and in good condition.

Don't: Package unacceptable items or those in poor condition. That is not profitable for the company or us!

Do: Request shipping labels only through your **Zone Facilitator**. The company will have her name on file which will make everything go more smoothly!

Don't: Request shipping labels from your District Facilitator.

Do: Your best as we join with our sisters in these six LWML districts raise these funds.

Don't: Compare what you are doing with others. This is a joint effort.

Do: Pray for the success of this fund raiser. Ask questions. Ask for help.

Don't: Go it alone.
